MUNICIPALITY OF PESCARA

DEMOGRAPHY

Pescara is the most populous city in Abruzzo, with approx. **120.000 inhabitants**.

GEOGRAPHY

Located on the Adriatic coast, at the mouth of the Aterno-Pescara River.

It is a crucial hub for road, rail and port communications.

ECONOMY

Trade, services and tourism. Its port is one of the most important in the Adriatic.

NATURAL HAZARDS

Seismic: Abruzzo is a highly seismic region. Pescara is located in a medium-risk area.

Hydrogeological: floodings of the Aterno-Pescara River.

Industrial: management of hazardous substances in industrial installations.

Fire: risk of forest or vegetation fires during the summer months

EMERGENCY

The city has an approved **Municipal Emergency Plan** that details the alert procedures, emergency areas (gathering, waiting, reception), and the correct behaviors that citizens must adopt to mitigate these risks

National and European projects, int. cooperation service

Director: Luca Saraceni. **Service Manager:** Alberto Trinchini. **Project Management:** Lorenzo Infante, Alessandra Mugione. **Consultant:** Alessio Lupi.

Civil Protection service

Director: Aldo Cicconetti. **Service Manager:** Giovanni D'Alessandro.

MISSION: to protect citizens from potential critical situations, raise awareness of local risks, disseminate best practices in Civil Protection and plan interventions with the help of specific operational plans.

MAIN TASKS

- 1) Drafting and **updating the Municipal Emergency Plan**. Including: Meteorological, Hydrogeological, Seismic and Anthropogenic-industrial risks.
- 2) **Management** of type A emergencies (territorial - Pescara).
- 3) Technical and administrative management of the **Pescara Municipal Civil Protection Group**;
- 4) Management of **volunteer associations** registered in the municipal Civil Protection register.

WP1: MANAGEMENT

M1 – M12 – Coordinated by Municipality of Pescara

WP1 will produce the following results:

1. **Partnership Agreement:** detailing roles and financial obligations, signed by all partners.
2. **Operational Plan:** approved during the Kick-Off Meeting, including timelines and tasks for each partner.
3. **Coordination Meetings:** at least three, documented through reports and minutes.
4. **Continuous Monitoring:** production of two intermediate and one final report to verify progress against objectives and performance indicators.
5. **Optimized Internal Communication:** use of a collaborative platform.
6. **Financial and Administrative Oversight:** budget managed in accordance with Erasmus+ guidelines, documented by periodic financial reports.

FINANCIAL RULES FOR BUDGET BASED ON LUMP SUMS

- The lump sum contributions **cover all costs** directly related to the implementation of the project activities. Contributions are eligible if the WPs/**activities are completed** and the **results are achieved**.
- Documentary proof of incurred expenses (e.g. invoices) **is not required** at final report stage. However, beneficiaries must be able to provide evidence that the activities have actually been carried out.
- The **final report** will be evaluated on the basis of quality criteria. If the final report scores below 60 points out of 100 the NA may reduce the final grant amount.

1st payment - 40%

Due within **the month of February 2026** corresponding to the project mid-term.

The Partner report the activity of the 1st 6-month period.

2nd payment - 40%

Due within **the month of August 2026** corresponding to the project end date.

The Partner report the activity of the 2nd 6-month period.

Final payment - 20%

Conditioned to the approval of the project final report.

Due within **20 days from the reception of balance payment from the NA.**
